and Navy Officers.****SEASON OF UNALLOYED PLEASURE****Drill Shed Was in Handsome Attire.
Attendance of About 500.
The Workers.**

The reception and ball of the N. G. H. officers to the officers of the Army and Navy of the United States, given at the drill shed last evening, was, as it promised to be, the social event of the season. Fully 500 of the most prominent people of the city were present. Dancing began at 9 o'clock and was not over until 2 this morning. Guests began to arrive at 8:30. At 9 the hall was filled.

Company A's room was used by ladies and D's by gentlemen. B's drill room and social hall were open to guests. G's was occupied by the refreshment committee.

The reception committee received guests at the door and escorted them into the dance hall. Most active among the committee were, Major Potter, Captain Pratt and Captain Berger, of the President's staff; Colonel Fisher, Major Jones, Major Cooper, Captain Schaefer, Captain Ashley, Captain Myers and Lieut. Forster of the field. They were assisted by Captain Paul Smith, Captain L. T. Kenake, Lieut. Pertie, Lieut. Fetter and Lieut. Klemme.

The decorations were simple, but very attractive. A 60-foot American flag was suspended across the doorway, shutting in the dance hall. Above were code flags, tastily arranged. Palm leaves, in an upright position, were distributed thickly down the walls, adding a distinctive tropical effect. On the stage was a dense arrangement of foliage, with a back ground of woodland scenes from the files of the stage. To the right and left were brass Austrian field pieces, and in the center the American flag, regimental flag, presented by President Dole August 12, gracefully draped. Capt. Camara and Lieut. Klemme, of the decoration committee, and Maj. Jones, Capt. Paul Smith and Lieut. Costa bedecked the hall in its ball robes.

Capt. Pratt, Capt. Kenake, Capt. Ashley, Capt. Paul Smith and Lieut. M. V. Porster officiated on the door committee. Capt. Pratt was floor manager. The work of this committee was most arduous, but was successfully carried out. Visiting officers were introduced, one by one, after which sailing was comparatively smooth. As usual with army and navy officers they were able to "do the rest," and entered into the spirit of the occasion with due zeal.

The program contained twelve numbers, waltzes, two-steps, polkas and lancers, with four extras. At 11 o'clock a half hour was taken for refreshments. Sweet-meats, ice cream, coffee, tea, other light drinks, etc., were served.

There being so many present it is impossible to give anything like a list of the guests. Gen. King and staff were among the number; Col. Barber was ailing, but Lieut. Col. Stackpole and the staff attended. Officers from both camps were received. Commander Taussig, staff and officers of the Bennington were present most of the evening. The Government was represented by Minister Damon and wife, the other members of the Cabinet being either away or physically unable to attend.

The affair passed off most pleasantly. All of the visitors took occasion, before leaving, to cordially thank the committee for the pleasant evening.

GO TO PUNCHBOWL.**Troops to Leave Camp McKinley
Without Delay.**

Acting upon the advice of Major Morris and Major Davis, General King yesterday condemned Camp McKinley as being unfit for the quartering of troops from a sanitary standpoint. The New York regiment and Engineers will be removed this morning, or as early as possible, to the slope of Punchbowl on the mountain side. There they will camp in tents until a more permanent location can be selected.

The appearance of typhoid fever in the camps has forced the change of base. Camp Otis would also be shifted were it not for the fact that the Arizona was daily expected to take the companies there away. At 1:30 yesterday afternoon work on the new barracks ceased. There is a suggestion to divide the troops, having the First New York and Engineers camp by battalions in four different places.

The Camp Otis Provost Guard has been relieved of duty in view of the early departure of the troops for Manila. The Guard's baggage is all on the wharf awaiting the arrival of the Arizona.

There is now an average of eleven men a day added to the patients in the Military hospital.

Thirty men tried to run the lines at Camp McKinley, Thursday night but were apprehended.

The testimony in the case of a ser-

geant who used abusive language to a superior officer has been forwarded to the department commander.

"Held Out" \$200.

Ihila, a young native, was given \$1,000 yesterday afternoon by his aunt with instructions to deposit the same in the bank for her. The young man deposited but \$800 of the amount, keeping the balance. He invited a rubber tired hack, the three proceeded forthwith to enjoy themselves. They visited several places not run under auspices of the Y. M. C. A. The police were notified and three officers were detailed to find the erring one. At 10 p. m. the hack containing the three sports drove up to the Pantheon, where the young man was placed under arrest and taken to the Station house.

Eczema, scald head, hives, itchiness of the skin of any sort, instantly and permanently cured. Doan's Ointment. At any chemist's, 50 cents.

IS PERFECT.

People recently from the Coast pronounce the Enterprise Beer, as served at the Merchants' Exchange, as the best in the city.

**Some Men Refuse
To Believe It**

But we are hopeful of converting them, and leading them to think our way in the matter of correct clothes. They are told by tailors our clothes are ready made.

Suppose they are, is a tailor's word worth \$25 more a suit? You can see no difference between his made-to-order and our ready-made.

A Baby Lion!

Did you ever see one? It is as playful and harmless as a kitten. You might have one with you for weeks and not suspect danger. But, beware! Some day it will surely spring, and the fight for life is at hand. It is just so with a cough. You may carry one with you for weeks and not think of danger. But the danger is there. Some day the fight will be on, and it is a question which will win, Consumption or You.

**Ayer's
Cherry
Pectoral**

promptly cures all baby coughs; but it cannot always cure the full grown coughs of the most advanced stages of disease. Yet even here it will bring comfort and ease. Then use it early for acute colds, coughs, bronchitis and all pulmonary troubles.

Beware of cheap imitations. See that the name, Ayer's Cherry Pectoral, is blown in the glass of each bottle. Put up in large and small bottles.
